

SWACHHATA HI SEVA PROGRAMME 2026

Day 10: Cleaning Activities at Office and building Premises of ICAR-IIRR

Date: 26/09/2026

Institute Name: ICAR-Indian Institute of Rice Research (ICAR-IIRR), Rajendranagar, Hyderabad, Telangana

Summary of the Activity

On 26th September 2026, as part of the ongoing Swachhata Hi Seva programme being organized from 17th September to 2nd October 2026 at the ICAR-IIRR, Hyderabad, the day 10 activities focused on comprehensive cleaning drives across the office premises.

The primary objective of today's drive was to maintain an orderly, hygienic, and pristine workplace environment. The cleaning activities were meticulously executed across multiple key zones of the institute, including the **parking lot, office garden area, office surrounding buildings, and the glasshouses.**

The drive emphasized the shared responsibility of maintaining a healthy microenvironment for both administrative and scientific operations. The collective efforts of the workforce ensured a highly visible transformation of the targeted areas, reinforcing the core message of institutional sanitation and waste management.

Today's specific activities were coordinated by **Dr. D. Ladhalakshmi** and **Dr. Satish N. Chavan**, with the continuous support of the overall programme Nodal Officers, Dr. V. Chinna Babu Naik and Dr. S. Arun Kumar.

Key Outcomes:

- **Enhanced Campus Cleanliness:** Cleaned commonly used zones, including the parking facilities, office garden area, building surroundings, and glasshouses.
- **Collective Participation:** Promoted a sense of institutional pride and teamwork through active voluntary labor (Shramdaan) by IIRR staff.
- **Sustained Awareness:** Reaffirmed the institute's daily commitment to the fortnight-long cleanliness drive, ensuring a cleaner and healthier workplace ecosystem.
