- regarding

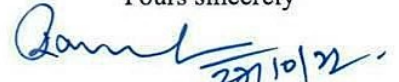

Dear Sir,

Greetings from ICAR-IIRR!

We are happy to inform you that we are organizing the **IIRR - Industry Meet 2022: Showcasing IIRR Technologies & Services** at ICAR - Indian Institute of Rice Research (ICAR-IIRR), Hyderabad from 9.30 AM to 1.00 PM on 10th November, 2022 (tentatively) as a part of the ICAR initiative for the commercialization of technologies, innovations, know-how etc., of ICAR institutes and their realization by farmers and other users. The main objective of this meeting is to display the technologies and services offered by IIRR for forging Public Private Partnerships within the framework of "ICAR Guidelines for Intellectual Property Management and Technology Transfer/Commercialization". More than 50 private companies are expected to participate in this meet. It is my privilege to cordially extend invitation to you to participate in the meet along with another representative of your company and contribute towards exchange of ideas for effective partnerships as well as commercial opportunities. This will also be a good opportunity to see the performance of hybrids in the Initial Hybrid Rice Trials and the genetic stocks registered by IIRR. I request you to confirm your participation by email (email ids: hariprasad34@gmail.com or drritmu@gmail.com) on or before **03/11/2022** and oblige.

With regards,

Yours sincerely

(R.M. Sundaram)
